THE HISTORIAN
BEHIND THE JOURNEY

Chandru Ramesh

Historian • Author • Filmmaker • Heritage Researcher

Founder & Director, Historika Foundations
Chief Experience Officer, Bhumivox

Chandru Ramesh works at the intersection of history, archaeology, literature, geography, technology and living cultural traditions.

A former software professional who moved into historical and archaeological research, his work explores how different kinds of evidence—from texts and archaeological remains to landscapes, traditions and modern geospatial technologies—can be brought together to better understand India's past.

He is the author of *Mahabharata: Myth or History?* and Founder & Director of Historika Foundations.

At Bhumivox, Chandru leads the intellectual design, historical research, storytelling and experience architecture behind the journeys.

His role is not merely to tell travellers where they are.

> "It is to help them read the landscape around them."

THE VOICE OF BHĀRAT BHŪMI

A Different Kind of Journey

1. Historian-Led

Journeys shaped through historical research rather than conventional destination commentary.

2. Research-Informed

History, archaeology, geography, texts and living traditions are brought together to create deeper understanding.

3. Landscape-Focused

We look beyond individual monuments to understand the larger landscape connecting them.

4. Immersive Storytelling

Complex historical ideas become stories, questions and experiences travellers can understand and remember.

5. 100% Vegetarian

Clean, carefully planned vegetarian food forms an important part of traveller comfort.

6. Carefully Curated

Accommodation, transport, pacing and experiences are selected to support the journey.

You travel through places.
We help you understand what they mean.

Rama–Krishna–Shiva

The Sacred Heart of Bhārat

Some journeys connect destinations.
This one connects civilisational landscapes.

KRS journeys through Kashi, Ayodhya, Mathura, Vrindavan, Govardhan, Agra and Delhi—revealing how geography, history, archaeology, literature, architecture, tradition and memory shape the story of Bhārat.
